**AUDRINETA** is a professional team that has work experience of **more than 20 years** in implementation of interior textile projects for homes and businesses. **A wide range of fabrics, exceptional quality and special attention to every customer** are the values, on which all AUDRINETA solutions are based. We provide services from consulting, selection of fabrics, to realization of the projects of interior decoration with curtains or textile details. We also install electrically **controlled window coverings**.

We can implement the **most complex projects** and that is why we have gained trust of such clients as hotel "Neringa Hotel", SPA "Nida", business centre "Pirkliu klubas", the Embassy of the Republic of Lithuania in Rome and Moscow, the Ministry of Foreign Affairs of the Republic of Lithuania, restaurant "Telegrafas" of hotel "Grand Hotel Kempinski", UAB "Vinted", "Ilzenbergo dvaras", and UAB "Ergolain projektai."

#### **Why to choose us?**

- We provide all the services from a professional consultation up to a project's implementation
- We offer a choice from more than 100,000 different fabrics
- We are able to implement automated projects of different complexity
